

AUSTIN FAMILY DAY CAMP – 2025

*Moses: From the Crossing of the Red Sea
to the Receiving of the Ten Commandments*

Welcome to the Summer 2025 Family-time Home Material!

We have compiled this material with the hope and prayer that your family will enjoy a short time each day of Family Day Camp to sing, read, and talk together. As Psalm 119:130 says, *"The opening of Your Word gives light."*

Each day's material includes:

- A **short portion of God's Word** related to this year's Family Day Camp subject.
- A **song** to engage both young and older participants.
- A **story** illustrating the application of God's Word in our human life.
- **Family Chat questions** designed to open up meaningful conversations.
- A **memory verse** to learn together.

Encouragement for Parents:

We hope these *true stories* included here would help us all to see examples of ones who have gone before us and practiced applying God's speaking in the midst of their circumstances. The Family Chat questions that follow the stories are designed to help open up *conversations among family members*. Please use them, as much as you can, to converse with your children about how God has made Himself real to you.

"Tell your children about it, and let your children tell their children, and let their children tell the next generation." —Joel 1:3

To make the most of this material, consider reading through it beforehand; this will give you a chance to consider the best way to handle the material with your family. Our hope is that this material could strengthen all of us to spend short amounts of time daily in God's Word as families, long after Family Day Camp has come to an end. **May this be a beginning or an uplifting for every family!**
